Training register 2026

1 January 2026 to 31 December 2026 · Prepared by Ashgrove Attorneys on 6 October 2026

trainings	on the registers	different agents	agencies	passed	CPD points earned

Agents are matched by the cell or email each gave when signing in (before that, by the name typed): someone at several trainings, or added as a walk-in and then on their phone, is one agent. Scores and pass rates count only agents who answered. CPD points as the certificates award them. Cell and email are shown only for agents who agreed to hear from the firm; each session's own register has them all.
